VISITATION REGULATIONS

Hospital visits are only permitted with a valid negative test (taken within the last 48 hours).

OUR VISITING HOURS ARE:

Monday to Sunday	14:00 to 16:00
Monday and Thursday	18:30 to 19:30

EXCEPTIONS TO THE RULE*:

- > Fathers/partners/accompanying persons before, during and after the birth
- > Visiting your child
- > Critically ill patients

We politely request that you only visit your friends/relatives in the Vorarlberg State Hospitals where absolutely necessary. We ask for your understanding!

You are required to wear a mask throughout your entire visit – including within the patient rooms. Please also observe the mandatory hygiene measures including the use of hand disinfectant and maintaining your distance.

*The visiting hours applicable to these exceptions are shown on the websites of the relevant department.
